and electricity supplies. At least 200,000 civilians still live in the government
controlled territories of the Donetsk region, according to the Ukrainian
authorities.</li>

at least 50 Ukrainian prisoners of war in an attack on the Olenivka prison in
Russian-occupied Donetsk. The ICRC on Sunday condemned the attack and said

<h2>Key engagement</h2>
<p>Australia is a consistent supporter of Ukraine's sovereignty and territorial integrity. The Australian Embassy in Ukraine formally opened in November 2014.</p>
<h2>Bilateral relations</h2>
<p>Ukraine declared independence from the Soviet Union on 24 August 1991, and diplomatic relations between Australia and Ukraine were formally established on 26 December 1991. The Embassy of Ukraine in Australia was established in April 2003. Australia had non-resident representation to Ukraine until 2014 when an Embassy opened in Kyiv.</p>
<p>Australia's bilateral relations with Ukraine have deepened substantially in recent years, engaging on issues of mutual interest in multilateral forums. Ukraine are partners in the NATO-led Resolute Support Mission in Afghanistan, and the Global Coalition Against Daesh.</p>
<p>In March 2014, Russia annexed Crimea and the city of Sevastopol. The UN General Assembly passed a resolution on the Territorial Integrity of Ukraine on 27 March 2014, emphasising that Russia's de facto annexation had no validity under international law. Russia also supports separatist forces in occupied parts of Ukraine's Donetsk and Luhansk regions. Tensions continue in eastern Ukraine, with a recent (November 2018) escalation in the Sea of Azov/Kerch Strait. Australia condemns Russia's illegal annexation of Crimea and fully supports Ukraine's sovereignty and territorial integrity. Australia maintains robust autonomous sanctions relating to threats against the sovereignty and territorial integrity of Ukraine.</p>
<p>On 17 July 2014, Malaysian Airlines flight MH17 was shot down over eastern Ukraine, killing all 298 individuals on board, including 38 people who called Australia home. A technical investigation into the downing, led by the Dutch Safety Board, concluded that flight MH17 had been downed by a Buk surface-to-air missile. An international criminal investigation, conducted by the Joint Investigation Team (JIT) comprising Australia, Belgium, Malaysia, the Netherlands and Ukraine, continues to gather evidence for use in a future Dutch criminal prosecution of the individuals responsible. Following the release of the JIT's additional findings in May 2018, Australia and the Netherlands notified Russia they held it responsible for its role in the downing of flight MH17 and requested that it enter into negotiations.</p>
<h2>Foreign policy</h2>
<p>Ukraine's foreign policy priorities include building multilateral support through the UN, NATO, and OSCE, as well as greater integration with Europe.</p>
<p>Entry into force of the EU-Ukraine Association Agreement on 1 September 2017 and the Deep and Comprehensive Free Trade Agreement (DCFTA) on 1 January 2016 open further opportunities for Ukraine to increase and diversify its trade within Europe.</p>
<p>Further details are available at Ministry of Foreign Affairs of Ukraine.</p>
<p>Australia's foreign policy is guided by the Foreign Policy White Paper.</p>

<h2>Economic diplomacy</h2>
<p>Australia's trade relationship with Ukraine is modest. Merchandise exports from Australia were valued at $29.8 million in 2017–18 and consisted mainly of coal. In the same period, Australia imported $47.3 million worth of products from Ukraine, mainly vegetable oils and fats. Australia invested $49 million in Ukraine in 2017.</p>
<p>On 1 April 2016, Australia and Ukraine signed a Nuclear Cooperation Agreement, which would enable Australia to export uranium to Ukraine – one of the world's top ten generators of nuclear power. This agreement entered into force in June 2017. The Agreement will allow Australia to help Ukraine diversify its energy supply, and will enhance bilateral cooperation between Australia and Ukraine on nuclear-related activities, including nuclear safeguards, security, safety and science.</p>

<h2>Economic sanctions</h2>
<p>In July and September 2014, the EU imposed economic sanctions
targeting exchanges with Russia in <strong>specific economic
sectors</strong>.</p>
<p>In March 2015, EU leaders decided to <strong>align the existing
sanctions regime with the full implementation of the Minsk
agreements</strong>, which was scheduled for the end of December 2015.
Since this did not happen, the Council extended the economic sanctions until 31
July 2016.</p>
<p>The economic sanctions have been <strong>extended successively for six
months at a time </strong>since July 2016. The decision to extend them was
made each time following an assessment of the implementation of the Minsk
agreements. The economic sanctions are currently extended<strong> until 31
January 2023</strong>.</p>
<p>These sanctions target the financial, trade, energy, transport, technology
and defence sectors.</p>
<p><strong>Financial sector:</strong></p>
<ul>
<li>restricted access to EU primary and secondary capital markets for certain
Russian banks and companies</li>
<li>prohibition on transactions with the Russian Central Bank and the Central

Russian Direct Investment Fund</li>

<p><strong>Energy:</strong></p>
<ul>
<li>prohibition on imports from Russia of coal</li>
<li>prohibition on imports from Russia of oil, with limited exceptions</li>
<li>prohibition on exports to Russia of goods and technologies in the oil refining
sector</li>
<li>prohibition on new investments in the Russian energy sector</li>
</ul>
<p><strong>Transport:</strong></p>

```

```
<li>closure of EU airspace to all Russian-owned and Russian-registered aircraft</li>
<li>closure of EU ports to Russian vessels</li>
<li>prohibition on Russian and Belarusian road transport operators from entering the EU</li>
<li>prohibition on exports to Russia of goods and technology in the aviation, maritime and space industry</li>

<p><strong>Defence:</strong></p>
<ul>
<li>prohibition on exports to Russia of dual-use goods and technology items that could contribute to Russia's defence and security capabilities</li>

<h2>Restrictions on media</h2>
<p>In 2022, the EU has <strong>suspended the broadcasting
activities</strong> of five Russian state-owned outlets:</p>
<ul>
<li>Sputnik</li>
<li>Russia Today</li>
<li>Rossiya RTR / RTR Planeta</li>
<li>Rossiya 24 / Russia 24</li>
<li>TV Centre International</li>
</ul>
<p>These outlets have been used by the Russian government as
<strong>instruments to manipulate information and promote
disinformation</strong> about the invasion of Ukraine, including propaganda,
```

aimed at destabilising the countries neighbouring Russia, the EU and its member states.</p>

<h2>Diplomatic measures</h2>
<p>In 2014, the EU-Russia summit was cancelled and EU member states decided not to hold regular bilateral summits with Russia. Bilateral talks with Russia on visa matters were suspended.</p>
<p>Instead of the G8 summit in Sochi, a G7 meeting was held - without Russia - in Brussels on 4 and 5 June 2014. Since then, meetings have continued in the G7 format.</p>
<p>EU countries also supported the suspension of negotiations over Russia's joining the Organisation for Economic Co-operation and Development (OECD) and the International Energy Agency (IEA).</p>
<p>In February 2022, the EU decided that Russian diplomats, other Russian officials and business people may no longer benefit from visa facilitation provisions, which allow privileged access to the EU. This decision does not affect ordinary Russian citizens.</p>

<h2>Restrictions on economic relations with Crimea and Sevastopol</h2>
<p>The Council adopted restrictive measures in response to the illegal annexation of Crimea and Sevastopol by the Russian Federation. The measures apply to EU nationals and EU-based companies. Their scope is limited to the territory of Crimea and Sevastopol.</p>
<p>These measures include: </p>

an import ban on goods
restrictions on trade and investment related to certain economic sectors and infrastructure projects
a ban on supplying tourism services
an export ban on certain goods and technologies

<p>On 20 June 2022, the Council extended these measures until 23 June 2023.</p>
<h2>Restrictions on economic relations with non-government-controlled areas of the Donetsk and Luhansk</h2>
<p>The Council adopted restrictive measures in response to the decision by the Russian Federation to proceed with the recognition of the non-government-controlled areas of Donetsk and Luhansk oblasts in Ukraine as independent entities, and the ensuing decision to send Russian troops into these areas.</p>
<p>The scope of the measures is limited to the non-government-controlled territories of the Donetsk and Luhansk oblasts. These measures include:</p>

an import ban on goods

restrictions on trade and investment related to certain economic sectors
a ban on supplying tourism services
an export ban on certain goods and technologies

<p>These measures are in place until 24 February 2023.</p>

<h2>Measures concerning economic cooperation</h2>
<p>Restrictions on economic cooperation were introduced by EU leaders in July 2014: &nbsp;</p>

the European Investment Bank (EIB) was asked to suspend the signing of new financing operations in the Russian Federation&nbsp;
EU member states agreed to coordinate their positions within the board of directors of the European Bank for Reconstruction and Development (EBRD) with a view to also suspending the financing of new operations
the implementation of EU bilateral and regional&nbsp;cooperation programmes with Russia was re-assessed and certain programmes&nbsp;suspended

<meta property="og:title" content="Treasury Department Signs Agreement to Contribute $500 million to the European Bank for Reconstruction and Development to Support Ukraine and Other Affected Countries">
<meta property="og:description" content="WASHINGTON - Today, Assistant Secretary for International Trade and Development Alexia Latortue participated in a virtual signing ceremony with European Bank for Reconstruction and Development (EBRD) President Odile Renaud-Basso for a $500 million U.S. contribution to the EBRD to support businesses and public services affected by Russia's war in Ukraine as well as other countries impacted by the war. "This contribution reaffirms our support for the people of Ukraine as they defend their country from Russia's unprovoked and unjustifiable war," said Assistant Secretary Latortue. "It is a signal of our solidarity with countries affected by Putin's war of choice, which has increased food insecurity and raised energy prices around the world, particularly in developing countries. The United States is proud to support EBRD in its vital role, and in assisting the Government of Ukraine in bolstering Ukraine's private sector — positively impacting the lives of Ukrainians." This funding will support immediate crisis response mainly in Ukraine, including: energy security needs; food security, including vital infrastructure in transport and logistics as well as direct finance to farmers and exporters; and support for vulnerable populations and internally displaced persons. The U.S. contribution will leverage at least $1 billion in EBRD investments that will help restore economic activity through risk sharing instruments and by mobilizing other donors. This funding will also support technical assistance grants to support small and medium businesses, improve the business environment, and mitigate risks of food and energy insecurity. The United States remains a strong partner to the EBRD as it extends private sector-led economic opportunities and supports democratic values across its countries of operation during this time of continued challenges stemming from Russia's war in Ukraine. This contribution comes as part of the $40 billion package of support for Ukraine that was signed into law by President Biden in May. In addition to today's announcement, the United States has committed $8.5 billion in budget support and economic assistance to the government and people of Ukraine and has moved swiftly to disburse $4 billion of that total already. ###">

European Bank for Reconstruction and Development to Support Ukraine and
Other Affected Countries" data-description="WASHINGTON - Today, Assistant
Secretary for International Trade and Development Alexia Latortue participated
in a virtual signing ceremony with European Bank for Reconstruction and
Development (EBRD) President Odile Renaud-Basso for a $500 million U.S.
contribution to the EBRD to support businesses and public services affected by
Russia's war in Ukraine as well as other countries impacted by the war. "This
contribution reaffirms our support for the people of Ukraine as they defend their
country from Russia's unprovoked and unjustifiable war," said Assistant
Secretary Latortue. "It is a signal of our solidarity with countries affected by
Putin's war of choice, which has increased food insecurity and raised energy
prices around the world, particularly in developing countries. The United States is
proud to support EBRD in its vital role, and in assisting the Government of
Ukraine in bolstering Ukraine's private sector — positively impacting the lives of
Ukrainians." This funding will support immediate crisis response mainly in
Ukraine, including: energy security needs; food security, including vital
infrastructure in transport and logistics as well as direct finance to farmers and
exporters; and support for vulnerable populations and internally displaced
persons. The U.S. contribution will leverage at least $1 billion in EBRD
investments that will help restore economic activity through risk sharing
instruments and by mobilizing other donors. This funding will also support
technical assistance grants to support small and medium businesses, improve
the business environment, and mitigate risks of food and energy insecurity. The
United States remains a strong partner to the EBRD as it extends private sector-
led economic opportunities and supports democratic values across its countries
of operation during this time of continued challenges stemming from Russia's
```

war in Ukraine. This contribution comes as part of the $40 billion package of support for Ukraine that was signed into law by President Biden in May.         <div class="field field--name-field-news-body field--type-text-long field--label-hidden field__item"><p>WASHINGTON - Today, Assistant Secretary for International Trade and Development Alexia Latortue participated in a virtual signing ceremony with European Bank for Reconstruction and Development (EBRD) President Odile Renaud-Basso for a $500 million U.S. contribution to the EBRD to support businesses and public services affected by Russia's war in Ukraine as well as other countries impacted by the war.</p>

<p>"This contribution reaffirms our support for the people of Ukraine as they defend their country from Russia's unprovoked and unjustifiable war," said Assistant Secretary Latortue. "It is a signal of our solidarity with countries affected by Putin's war of choice, which has increased food insecurity and raised energy prices around the world, particularly in developing countries. The United States is proud to support EBRD in its vital role, and in assisting the Government of Ukraine in bolstering Ukraine's private sector — positively impacting the lives of Ukrainians."</p>

<p>This funding will support immediate crisis response mainly in Ukraine, including: energy security needs; food security, including vital infrastructure in transport and logistics as well as direct finance to farmers and exporters; and support for vulnerable populations and internally displaced persons. The U.S. contribution will leverage at least $1 billion in EBRD investments that will help restore economic activity through risk sharing instruments and by mobilizing other donors. This funding will also support technical assistance grants to support small and medium businesses, improve the business environment, and mitigate risks of food and energy insecurity.</p>

<p>The United States remains a strong partner to the EBRD as it extends private sector-led economic opportunities and supports democratic values across its countries of operation during this time of continued challenges stemming from Russia's war in Ukraine. </p>

<p>This contribution comes as part of the $40 billion package of support for Ukraine that was signed into law by President Biden in May. In addition to today's announcement, the United States has committed $8.5 billion in budget support and economic assistance to the government and people of Ukraine and has moved swiftly to disburse $4 billion of that total already.</p>

approximately 170 Ukrainian refugees arrived in New Zealand following the end

```

```
<p><strong>WASHINGTON</strong> – The U.S. Cybersecurity and
Infrastructure Security Agency (CISA) and the Ukrainian State Service of Special
Communications and Information Protection of Ukraine (SSSCIP) signed a
Memorandum of Cooperation (MOC) this week to strengthen collaboration on
shared cybersecurity priorities.</p>
```

```
<p>The MOC expands upon CISA's existing relationship with the Government of
Ukraine in the areas of:  </p>
```

```
<ul><li>Information exchanges and sharing of best practices on cyber
incidents;</li>
<li>Critical infrastructure security technical exchanges; and </li>
<li>Cybersecurity training and joint exercises.</li>
</ul><p>"I am incredibly pleased to sign this MOC to deepen our cybersecurity
collaboration with our Ukrainian partners," said CISA Director Jen Easterly. "I
applaud Ukraine's heroic efforts to defend its nation against unprecedented
Russian cyber aggression and have been incredibly moved by the resiliency and
bravery of the Ukrainian people throughout this unprovoked war. Cyber threats
cross borders and oceans, and so we look forward to building on our existing
```

relationship with SSSCIP to share information and collectively build global resilience against cyber threats."</p>

<p>"This memorandum of cooperation represents an enduring partnership and alignment in defending our shared values through increased real-time information sharing across agencies and critical sectors and committed collaboration in cultivating a resilient partnership," said Mr. Oleksandr Potii, Deputy Chairman, SSSCIP.</p>

        The Government is seeking views on the European Commission's
proposals to repeal and replace the current Brussels I Regulation.</p>
<p>
        The Regulation is concerned with private international law matters that
arise in the context of jurisdiction and the recognition and enforcement of
judgments in civil and commercial matters.</p>
<p>
        The Regulation concerns uniform rules to settle conflicts of jurisdiction,
facilitate the mutual recognition and enforcement of judgments, settlements and
authentic instruments within the European Union. The Regulation also includes
rules to assist courts in settling jurisdictional matters.</p>
<p>
        The consultation seeks the views of interested individuals and
organisations as to how the United Kingdom should approach the negotiations to
the revised Regulation.</p>

certificate you have at <a

applied for this before you left. There are three types
of certificates:</h2>
<ul>
<li>A <strong>vaccination certificate</strong> proves that you have been fully
vaccinated against COVID-19. Complete vaccination certificates obtained after
only one dose can only be used after a two-weeks delay (if <a
href="https://www.info-coronavirus.be/en/recognised-vaccins-and-certificates/
#recognisedvaccins" style="text-decoration: underline;">the vaccine is EMA-
certified or Covishield</a>). From 1 September, <a
href="https://www.info-coronavirus.be/en/recognised-vaccins-and-certificates/
#vaccinationcertificates" style="text-decoration: underline;">vaccination
certificates from non-EU countries</a> will also be accepted in Belgium
<strong>under certain conditions</strong>, pending their equivalence
agreement with the EU.
The full vaccination certificate (1/1 for Johnson&amp;Johnson, 2/2 for Moderna,
Pfizer and AstraZeneca) is valid for 270 days (9 months). After the booster dose,
the vaccination certificate remains valid indefinitely.</li>
<li>A <strong>recovery certificate</strong> shows that you have recovered
from COVID-19. This can either be an EU digital COVID certificate of recovery
issued by one of the EU Member States or a recovery certificate issued in a non-
EU country that is <a href="https://www.info-coronavirus.be/en/recovery-
certificates-outside-eu/" style="text-decoration: underline;">considered
equivalent</a>. These certificates are issued on the basis of a positive result of
a PCR test or a positive result of a rapid antigen test. The recovery certificate is
valid from 11 days to 180 days after the positive test.</li>
<li>A <strong>test certificate</strong> is proof of a negative COVID-19 PCR
test result taken up to 72 hours before your arrival in Belgium or a negative RAT
test result taken up to 24 hours before your arrival in Belgium.</li>
</ul>

    <h1 class="content-heading ">Safety and security</h1>
    <h3>Terrorism</h3>

<p>There is a global risk of indiscriminate terrorist attacks, including in Belgium, which could be against civilian targets, including places frequented by tourists.</p>
<p>Following terrorism attacks in Brussels in 2016 security measures were reinforced and the public have been advised to exercise a higher level of vigilance.</p>
<p>In January 2018, the Belgian authorities reduced the threat level from Level 3 to Level 2. Level 2 represents an "unlikely" threat. This drop implies that the threat level has decreased and an attack has become less likely. However, Level 2 does not mean no threat exists. The move has seen a reduction in the number of army personnel patrolling the streets and a reduced security presence at large events.</p>
<p>We advise Irish citizens to maintain an awareness of their surroundings, remain vigilant and in the event of a security incident to follow the advice of local authorities.</p>
<h3>Crime</h3>
<p>Crime remains relatively low in Belgium but you should take sensible precautions: </p>

Don't carry your credit card, travel tickets and money together - leave spare cash and valuables in a safe place
Don't carry your passport unless absolutely necessary and leave a copy of your passport (and travel and insurance documents) with family or friends at home
Avoid showing large sums of money in public and don't use ATMs after dark, especially if you are alone. Check no one has followed you after conducting your business
Keep a close eye on your personal belongings and hold on to them in public places such as internet cafes, train and bus stations
Avoid dark and unlit streets and stairways, arrange to be picked up or dropped off as close to your hotel or apartment entrance as possible

<h3>Petty theft</h3>
<p>As with any country, crimes such as mugging, bag-snatching and pickpocketing are not uncommon in Belgian cities and towns. You should always be vigilant at major railway stations, on the metro, buses and trams.</p>
<p>We advise Irish citizens to be particularly vigilant of your belongings following a noticeable increase in reports of theft in the following areas of Brussels:</p>

Brussels South Station (Gare du Midi/Zuidstation), which is the Eurostar terminal and the terminus for buses from Charleroi Airport
European Quarter/Schuman area (particularly in bars and cafes near Schuman Roundabout and Place Jourdan)

<p>We also advise you to exercise caution in the following areas:</p>

Brussels North Station (Gare du Nord/Noordstation)
Brussels Central Station (Gare Centrale/Centraalstation)
Buses and trains serving Brussels Zaventem Airport
Areas with a large density of tourists, such as the Grand Place in Brussels and areas in the vicinity of Grand Place.
Public Squares in popular tourist destinations, such as Ghent and Bruges

```
</ul>
<h3><strong>Public Gatherings</strong></h3>
<p>Marches and demonstrations are common, particularly in Brussels, and often
result in confrontation between demonstrators and police. We recommend that
you avoid areas where large-scale demonstrations are taking place.</p>
<p>Always keep yourself informed of what is going on around you by monitoring
local media and staying in contact with your hotel or tour organiser.</p>
<h3>Reporting crime</h3>
<p>If you're a victim of a crime while in Belgium, report it to the local police
immediately. You can contact us at the Irish Embassy in Brussels if you need
help.</p>
<h3>Pedestrians</h3>
<p>Pedestrians should be aware that 'the green man' signal does not mean that
cars will automatically stop. Also, many of the zebra crossings are not
accompanied by light systems. The custom is that the motorist should stop to
allow any pedestrian cross at the zebra crossing as and when they choose to use
the zebra crossing. Be careful in all cases and at all times as some motorists will
be more vigilant than others.</p>
<h3>Driving</h3>
<p>If you want to drive in Belgium:</p>
<ul>
<li>Bring your full Irish driving license and make sure you have adequate and
appropriate insurance.</li>
<li>Driving under the influence of alcohol or drugs is against the law and you
risk being detained, fined or banned from driving if caught.</li>
<li>Be aware that on-the-spot fines can be incurred for motoring offences. If you
are unable to pay the fine, your vehicle may be impounded.</li>
<li>Keep your vehicle doors locked and your bags kept out of sight to prevent
opportunistic bag-snatching if you're stopped at traffic lights.</li>
<li>Be aware of low emissions zones prohibiting certain types of vehicles from
specific urban areas. Further information is available on the Urban Access
Regulations <a href="https://www.urbanaccessregulations.eu/">website</a>
where you can search by city.</li>
</ul>

        <p>Remember, the local laws apply to you as a visitor and it is your
responsibility to follow them. Be sensitive to local customs, traditions and
practices as your behaviour may be seen as improper, hostile or even
illegal.</p>
<h3>Illegal drugs</h3>
<p>Illegal drug use (no matter what the drug) carries stiff penalties, including
fines and long prison terms.</p>
<h3><strong>Photo Identification</strong></h3>
<p>Visitors to Belgium must at all times be able to produce photo
identification.</p>
<p>The <a href="https://www.dfa.ie/passportcard/">Passport Card</a> is
available to all Irish citizens who hold a valid Irish Passport. It can be used for
travel within the EU/EEA and Switzerland.</p>
<h3>Travelling with Children</h3>
<p>While there are no laws prohibiting the travel of a minor with only one
parent or guardian, it should be noted that border control authorities pay
particular attention to minors travelling under these circumstances. To avoid
difficulties, we suggest that the accompanying parent carry a copy of the minor's
birth certificate, a signed permission letter and passport/ID for the non-
accompanying parent.</p>

COVID-19</p>
<p> Visitors to Belgium who test positive for COVID-19 must follow
Belgian <a href="https://www.info-coronavirus.be/en/quarantine-
isolation/">quarantine and isolation requirements. Belgium does not have
dedicated quarantine hotels or facilities for those who test positive, and you may
need to arrange accommodation to extend your stay. Costs incurred from
extending a stay in order to quarantine are at the traveller's own expense.
Visitors are strongly advised to ensure that their insurance policy provides
adequate cover in the event of needing to extend a stay due to a positive COVID-
19 diagnosis.</p>
<p>In line with <a href="https://www.dfa.ie/travel/our-services/consular-
assistance-charter/">our Consular Assistance Charter,
the Embassy of Ireland cannot provide funds or accommodation for citizens who
are required to extend their stay. Should you test positive for COVID-19, you
must comply with local health requirements and you should strongly consider
whether your circumstances allow for this eventuality before deciding on your
travel.</p>

<p>Travel
Insurance</p>
<p>We can't pay for emergency medical repatriation, repatriation of remains, or
for expenses as a result of a personal emergency while you are abroad. If you
buy an appropriate travel insurance policy, these costs will be covered, provided
you haven't broken the terms and conditions.</p>
<p>Buying comprehensive travel insurance can save you and your family a lot
of money if something goes wrong. It will also ensure that you get the medical
attention you need, when you need it. Hospital bills can quickly run into
thousands of euro, and a medical evacuation back to Ireland can cost thousands
more.</p>

```html
<p>Not all policies are the same, and the cheapest one might be cheap for a
reason. Make sure your policy covers all the activities you plan to do on your trip.
<a href="http://www.insuranceireland.eu/consumer-information/general-non-life-
insurance/travel">Insurance Ireland recommend</a> that you purchase a policy
that provides a minimum medical cover of €1 million.</p>
<h3>Emergency expenses</h3>
<p>Your policy should cover:</p>
<ul>
<li>All medical care abroad, including evacuation by air ambulance, or other
emergency procedures, and any other costs associated with an unexpected
longer stay.</li>
<li>Your entire trip, from departure to return. Consider an annual multi-trip
policy if you're making more than one trip in the year.   </li>
<li>24-hour emergency service and assistance.</li>
<li>Personal liability cover (in case you're sued for causing injury or damaging
property).</li>
<li>Lost and stolen possessions.</li>
<li>Cancellation and curtailment.</li>
<li>Any extra activities you intend to do that are excluded from standard
policies (e.g. water sport activities such as jet skiing or other extreme
sports).</li>
</ul>
<p>Exclusions: You should know most insurance policies will not cover drink or
drug-related incidents.</p>
<h3>European Health Insurance Card</h3>
<p>As an Irish resident you are entitled to get healthcare through the public
system in countries of the European Union (EU), European Economic Area (EEA)
or Switzerland if you become ill or injured while on a temporary stay there.
Ensure that you get or renew your EHIC (the new name for the E111) before you
go, and remember, you need one for every person travelling in your group.</p>
<p><a href="http://www.hse.ie/eng/services/list/1/schemes/EHIC/apply/">Apply
for your EHIC and find out more information</a>.</p>
<p>The EHIC is not a substitute for proper travel insurance provided by a
reputable insurer. It doesn't cover medical repatriation, ongoing medical
treatment or treatment of a non-urgent nature. Also, some private hospitals may
not accept the EHIC, so you should check with the hospital administrator
beforehand.</p>

Just look at headline topics like renewable energy or Artificial Intelligence (AI), or consider pharmaceuticals, automotive, consumer electronics, social media and biotechnology. On the topic of any of these technologies, you'll almost certainly hear a cacophony of voices that range from promising a new era of happiness to predicting the doom of humanity. How can we make sense of these confusing perspectives, and how can we maximise the benefits of emerging and potentially disruptive technologies while effectively minimising their risks?

we commemorate the 6th anniversary of the Award on the South China Sea
Arbitration. More than a historic milestone whose value lies in its
commemorative significance, we recall 12 July 2016 as the day that affirmed to
the community of nations that the rule of law prevails, and that stability, peace
and progress can only be attained when founded on a rules-based legal order on
the oceans, as it should be everywhere else.</span></p>
<p style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; font-size:
medium; font-family: Calibri, sans-serif; text-align: justify; background-color:
#fefefe;"><span style="font-family: Arial, sans-serif; color: #0a0a0a;">The
Award and the United Nations Convention on the Law of the Sea (UNCLOS) are
```

the twin anchors of the Philippines' policy and actions on the West Philippine Sea. </p>
<p style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; font-size: medium; font-family: Calibri, sans-serif; text-align: justify; background-color: #fefefe;">The year 2022 is also the 40th anniversary of the adoption of UNCLOS. UNCLOS sets out the legal framework within which all activities in the oceans and seas must be carried out. There is no recourse to general international law on matters comprehensively covered by the UNCLOS. Compliance with UNCLOS, which represents a delicate balance of the rights and obligations of all States Parties, in its entirety is key to ensuring global and regional peace and the fair and sustainable use of the oceans. </p>
<p style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; font-size: medium; font-family: Calibri, sans-serif; text-align: justify; background-color: #fefefe;">The Award, an affirmation of UNCLOS' dispute resolution mechanisms, not only sets reason and right in the South China Sea, but is an inspiration for how matters should be considered – through reason and right – by states facing similarly challenging circumstances. </p>
<p style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; font-size: medium; font-family: Calibri, sans-serif; text-align: justify; background-color: #fefefe;">It authoritatively ruled that the claim of historic rights to resources within the sea areas falling within the 'nine-dash line' had no basis in law and is without legal effect. </p>
<p style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; font-size: medium; font-family: Calibri, sans-serif; text-align: justify; background-color: #fefefe;">It upheld the Philippines' sovereign rights and jurisdiction in its exclusive economic zone. </p>
<p style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; font-size: medium; font-family: Calibri, sans-serif; text-align: justify; background-color: #fefefe;">It affirmed that certain actions within the Philippines' EEZ violated the Philippines' sovereign rights and were thus unlawful; that large-scale reclamation and construction of artificial islands caused severe environmental harm in violation of international conventions; that the large-scale harvesting of endangered marine species damaged the marine ecosystem; and that actions taken since the commencement of the arbitration had aggravated the disputes. </p>
<p style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; font-size: medium; font-family: Calibri, sans-serif; text-align: justify; background-color: #fefefe;">These findings are no longer within the reach of denial and rebuttal, and are conclusive as they are indisputable. The Award is final. We firmly reject attempts to undermine it; nay, even erase it from law, history and our collective memories. At the same time, we welcome the support of a growing list of countries for the Award. </p>
<p style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; font-size: medium; font-family: Calibri, sans-serif; text-align: justify; background-color: #fefefe;">The Award benefits the world across the board. We do not see it as directed at any other country, near or far. We see it as it should be seen: as favoring all which are similarly situated by clarifying definitively a legal situation beyond the reach

of arms to change. It puts this aspect of international law beyond the limit of prescription. </p>
<p style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; font-size: medium; font-family: Calibri, sans-serif; text-align: justify; background-color: #fefefe;">And so we say once again: the present that we need and the future that we want is a peaceful South China Sea. The Philippines is committed to this for as long as it exists. END </p>

    <textarea class="statement-textarea" readonly="" rows="20">The iGovPhil
Project officially adopts the Web Content Accessibility Guidelines (WCAG 2.0) as
the accessibility standard for all its related web development and services.
WCAG 2.0 is also an international standard, ISO 40500. This certifies it as a
stable and referenceable technical standard.

WCAG 2.0 contains 12 guidelines organized under 4 principles: Perceivable,
Operable, Understandable, and Robust (POUR for short). There are testable
success criteria for each guideline. Compliance to these criteria is measured in
three levels: A, AA, or AAA. A guide to understanding and implementing Web
Content Accessibility Guidelines 2.0 is available at:
https://www.w3.org/TR/UNDERSTANDING-WCAG20/

All iGovPhil Project services and content are currently moving towards WCAG
Level A compliance. Work is being done to make the system fully compliant with
this level.

<p>The Parliament and the Governement of the Brussels-Capital Region were
only created during the State Reform of 1988-89. (The Flemish and Walloon
Region have had theirs since 1980). The fifth state reform introduces significant
modifications with regard to the institutions of Brussels.</p>

<p>The Parliament of the Brussels-Capital Region exercises the legislative
power by means of ordinances. The Brussels Parliament is constituted by 89
deputies directly elected by universal suffrage for a five-year term. The
ordinances, voted by the Parliament, have the same legal force as decrees and
federal laws. In strictly legal terms, ordinances have less "force" than a decree or
federal law under certain circumstances.*</p>

<p>The executive power lies with the Government of the Brussels-Capital
Region . The Government consists of one Minister-President and four ministers,
two of them French-speaking and two Dutch-speaking. Three State Secretaries,
at least one of whom must be Dutch-speaking, are added to the Regional
Ministers.</p>

<p>The Ministry of the Brussels-Capital Region is the most important instrument
of the Brussels government for the execution of its policy. Both the Ministry and
the Parliament of the Brussels-Capital Region have their own information service
and official website.</p>
